

Clinical Poster Award

This award is presented at Turkish Orthodontic Society's congresses and symposiums.

The candidate of the Clinical Poster Award must meet the following requirements:

1. The clinical application / case presentation should be original and unpublished.
2. The presenter of the research should be under the age of 40 and he or she should be member of Turkish Orthodontic Society. The presenter should register to the congress / symposium.
3. The candidates should mention that they apply for the award. They must apply to the award with an abstract and must upload a 5-slide-long presentation of the case before the abstract submission deadline (using the additional files / full paper submission button). The case presentation will be reviewed by the Scientific Committee and the author will be notified about its suitability for the Clinical Poster Award.
4. The poster presentations that have been accepted as candidate of the award will be presented during the congress / symposium and they will be evaluated by scientific committee. The poster presentation that has the highest score will be granted with the award.
5. Decision of the Scientific Committee will be announced during the congress / symposium.
6. The Turkish Orthodontic Society reserves the right to determine the amount of Clinical Poster Award.
